

Artist Journal / Sketchbook

Art Foundations Semester Project

Objective:

An artist journal is meant to be a means of both inspiration and personal expression. Students will be expected to use their artist journal/sketchbook as a resource for in class assignments and for homework as they explore various prompts and art media. Students will be expected to choose and complete 3 prompts every 4 weeks to focus their artistic journal. Journals will be completed on their own time, in class after their assignment is complete or at home and turned in for a progress/participation grade once per month. Extra credit will be given to individual journals that go above and beyond the prompt requirements.
