The Semester after that?

Advanced Photography, Tabula , Graphic Arts1, Advanced Graphic Arts, Photography2, Advanced Drawing 2D, AP Studio Art, Advanced 3D, Intermediate Wheel.

The art classroom is an awesome place to be. It is a place where "being yourself" is embraced as long as your existence does not disrespect or harm anyone else. You are not required or expected to love every assignment! Some assignments' purposes are for building skill and do not emphasize creativity. However, in learning "how-to," you become creative and develop or strengthen your own style.
